STUDENT CONDUCT REPORT

This form shall be utilized to track Selkirk College Aviation Student ongoing performance. There are certain attributes which cannot be quantified through the conventional method of academic or practical examination. The ability to act in a professional manner is essential to the success of our students. Examples of exceeding expectations in this regard shall be recorded and stored as part of the student personnel file maintained by the CFI. Conversely examples of falling short of expected work ethic and professionalism will be recorded and tracked in the same manner. Use as much detail as deemed necessary to effectively communicate the essence of the event.
